## **Special Pressure Point Training Clinic**

This 2.5 hour seminar is for students of all skill levels and all martial arts disciplines. You will learn how to incorporate Pressure Points into your martial art techniques to make them even more effective. Your techniques will become stronger, sharper and more powerful because you will no longer depend on brute force. Your martial arts will also become more graceful and enjoyable. The use of Pressure Points is about using minimal force for maximum impact.

This seminar will include:

- Point activation techniques
- Various target reactions
- Healing and revival techniques
- Explanation of the body's meridian and energy flow
- Multiple pressure points on the arms/hands, legs/feet, torso and face/neck areas
- How to integrate pressure points into Tae Kwon Do and other martial art techniques
